Medical Definition of Rape is as follows:-

Rape:- Forced Sexual intercourse; sexual assault; sexual intercourse between an adult and a minor. Rape may be heterosexual (involving members of opposite sexes) or homosexual (involving members of the same sex). Rape involves insertion of an erect penis or an inanimate

object into the female vagina or the male anus. Legal definitions of rape may also include forced oral sex and other sexual acts.
Heterosexual rape usually refers to an assault in which a male forces himself upon a female, and homosexual rape usually refers to an assault in which a male forces himself upon another male. However, both terms (heterosexual and homosexual rape) have been used to refer to an assault in which a female forces herself upon a male or a female.
Sexual intercourse between an adult and a minor is known legally as statutory rape. The adult can be found guilty of statutory rape even if the minor was a willing partner.
Gang rape is a sexual assault in which several persons force themselves upon a victim.
Date rape is a sexual assault in which the victim is psychologically pressured, drugged or sedated before the rape. Date rape is so- named because it often involves a dating couple. The male may spike a female's alcoholic beverage, making her unable to resist his advances or even unable to remember the rape. Would-be date rapists have used sleeping pills to sedate their intended victims. In addition to adding sleep-inducing medications to alcohol, date rapists also have combined them with marijuana, cocaine and other drugs.
Victims of rape suffer physical and mental trauma. Physical trauma may include cuts, bruises and abrasions in the pelvic area as well as elsewhere on the body. Mental trauma may include overwhelming feelings of humiliation, embarrassment and defilement. Rape victims should seek treatment at a hospital. There, doctors and nurses can treat the injuries, administer antibiotics to prevent sexually- transmitted diseases, and provide counseling or any other additional therapy (mental or physical) that the patient requires. The hospital team's evaluation and report will help document the condition of the patient for legal purposes.
"Rape" is derived from the Latin word "rapere" (to seize).

Astrological Pointers:-
1st house indicates the native (Female).
3rd house denotes the acceptance/consent of the native.
2nd house is negation for 3rd house (i.e) raping without her consent/acceptance.
8th house governs the genital organs of the native.
7th house rules the Opponent – Male. (Rapist).
2nd house shows the genital organs of Rapist.(2nd is 8th from 7th).

Rape:-"Penetrating Penis (2nd house) into Vagina (8th house) without the acceptance/consent (2nd house) of the native". ***To say it in a nice way - it is a crime of forcing someone to have sex against their will,*** So I opine—"the 2nd Cuspal Sublord and 8th Cuspal Sublord should be connected in any way either directly or indirectly or else through a third planet, then only she will be a victim of rape". Therefore, we can frame a K.P. Victim of Rape Rule as shown below:-

K.P. Victim of Rape RULE:- (1) 2nd Cuspal Star lord should appear as the 8th Cuspal starlord or sublord.(2) 2nd Cuspal Sublord should appear as the 8th cuspal starlord or Subord.(3) 2nd Cuspal Star lord or Sublord is linked to the 8th Cuspal Star lord or Sublord through a third planet.

Astrological Key Points:-Lagna/1st house stands for a victim of rape. 7th house stands for rapist. Character is indicated by the 1st house/Lagna. Losing the character is indicated by the 12th house as it is a negation for 1st house. 12th house also denotes the sharing the bed pleasures with others. 5th house denotes rape. The same 5th house is the 11th for the opponent/rapist. Generally, 11th house denotes the fulfillment of the desire. Raping a woman is only fulfillment of the desire of a rapist which is indicated by the 5th house. Generally the 8th house indicates the gain of money to the opponent/rapist. Here gain of money is to be considered as raping a lady by any means. It is indicated by the 8th house. 9th house denotes Sowbhagyam of a native. Losing the Sowbhagyam is indicated by the 8th house as the 8th is a negation for 9th. After taking into consideration of the above astrological reasons, we can frame a Special K.P rule for Losing the Character as follows:-

"If the 12th Cuspal Sublord signifies 5 or 8 or 12, then a native is said to be cheated and raped and also the 12 CSL should be in any way connected to either Mars or Mercury or Saturn"

In K.P. system, if the sublord of the 3rd cusp signifies 3 or 9 or 11 the native is promised marriage engagement, after successful negotiations, during the period of significators of 3,9,11,7.

The above aspect will be studied in respect of a person born on 17th June, 1997 at 23-35-18 hours in Hospet (Karnataka State).

The native has born in the star of Jupiter (Visakha) with an ascendant Aquarius.

The horoscope reveals that the sublord of 3rd cusp is mercury. Mercury is in 4, lord of 5,8 and aspected by Jupiter (in 12, lord of 2,11) and Saturn (in 2, lord of 1,12). Mercury is in the star of moon in 9, lord of 6 and in the sub of Sun in 4, lord of 7. As mercury signifies 7,9,11 native is promised engagement.

The native has born during the period of Jupiter with a dasa balance of 10 years 8 months 4 days. Subsequently Saturn dasa followed as per vimshottari dasa system.

On the date of analysis, the native is running the DBA period of sat-jup-jup.

Dasalord Saturn is in 2, lord of 1,12 in the star of mercury in 4, lord of 5,8 and in the sub of rahu in 7. Saturn is aspected by mars in 7, lord of 3,10. The starlord mercury is aspected by Jupiter in 12, lord of 2,11. Mercury is a sublord of 3,9 cusps. As Saturn signifies 3,9,11,2,7 it is favourable for engagement.

Bhukthi lord Jupiter is in 12, lord of 2,11 in the star of mars in 7, lord of 3,10 and in the sub of Saturn, dasalord favourable for engagement.

As Jupiter is not having positional status, we will consider Saturn as anthara lord as it is favourable for engagement as discussed above.

As Saturn is having positional status, it is considered as sookshma lord.

The engagement of the native will take place during the conjoint period of sat-jup-sat-sat between 10-12-2024 and 3-1-2025, if transit agrees.

Dasalord Saturn is transiting in its own sign Aquarius. Bhukthi lord Jupiter is transiting in the sign of Venus (Taurus), significator of 9th house. Sun when transiting in the sign of Jupiter (Sagittarius), 11 significator the matter will come up for fructification. It is predicted that the event will fructify when moon is transiting in the star of mars, 3rd significator (Chitra) in Virgo sign.

The event has taken place on 25-12-2024 as predicted.

As per kp Planets are relevant for love and marriage

Venus is the chief karaka of love and marriage. It also indicates love and sexual instinct of the native.

: Sun is not good for married life as it indicates illegal relation with more than one partner when positioned in 7th house. The only exception is when Sun is placed in its own sign Leo.

Houses are considered for love and marriage

The houses relevant for love and marriage are: -

2nd House denotes family or kutumbha;

3rd house indicates friendship and relationship;

4th house denotes sexual pleasures between husband and wife in home;

5th House denotes love marriage, love affairs, fulfillment of sexual pleasure and the quantum of success or failure achieved in love affairs;

7th house denotes husband and contract of marriage in legal way;

8th house denotes sexual enjoyment, dowry and parents' expenditure on wedding;

9th house represents negotiation or contract for marriage as it is 3rd from the 7th house;

11th House indicates friendship, pleasure and strong ties, which may not be permanent;

12th House indicates bed comforts and illegal affairs;

In case where marriage is being solemnized to a foreigner, then 3rd, 9th or 12th house of the bride's chart indicates travel to far-off place, preferably in a foreign country, for settling with groom's family; and

6th or 10th house indicates break in love affairs

Question :

Male person asked the question that am i Transgender? Can you identify this combination in my horoscope.

Date 24/12/2024.

Time of Question-12:35:46

Place of Question Tenali

What Transgender means:

A transgender person` is some one whose gender identity differs from that typically associated with the sex they were assigned at birth. When we're born, a doctor usually says that we're male or female based on what our bodies look like. Most people who were labelled male at birth turn out to actually identify as men, and most people who were labelled female at birth grow up to be women. But some people's gender identity - their innate knowledge of who they are - is different from what was initially expected when they were born. Most of these people describe themselves as transgender.

K.P. Rule:

The Asc Sublord shows the physical attributes of the native,if its sublord or its constellation lord closely connect with female planet moon and feminine sign ,then the person have feminine qualities if sub also confirms the same .

If Sub is not related, he may have feelings in those particular sub periods and become normal after the periods.

I got little bit tense when I heard the question, but then felt normal again. Our Mentor says that "Once you are into public you should answer everything".

I remembered those words and free to ask about the situation.

He wanted to examine me and asked how i look like?

Physical Appearence of a person depends up on the Asc Sublord, and the Behavioural Appearence depends upon the planet moon.

So Asc, moon are important to grab the primary features of the native.

Horoscope was prepared for that time. Asc Sublord Ketu in Sun star, Sun posited in Sagittarius Sun shows the Bold and decent appearance and the Sign Sagittarius also shows the Religious perspective and Dignified look. He obeys for his looking and says i wear dignified clothes.

Even though he is Dignified at outside, he wants to wear Sarees and drape for 4-5 times. So he doubt on himself whether he is an transgender.

Analysis:

Ascendant posited at Pisces sign Mercury star and Ketu Sub. Asc Sub lord Ketu in Kanya Rasi (purely feminine sign)- known for its virginity' ,The Symbol of the sign is girl with light on one hand and grains on the other. Ketu in virgo conjoined with moon, Ketu is not in positional Status but Ketu and Sun interchanged their stars. Ketu in Sun star, sun in fiery siqn Sagittarius in Venus sub. Venus in mars Star at Sublevel it is diluted. The Area showing its peculiar behaviour is Ketu. Ketu Conjoined with female planet moon and in feminine sign virgo.

By This analysis we can say that he has some feminine qualities and it will be experienced in the dasa or periods connected with Ketu, other than the periods he is normal.

prediction:

He is not a Transgender but he has inner feelings when ever period has ketu Contact he will experience those feminine behaviour otherwise he will be of normal male as Sun Constellation lord in fiery sign shows that his vitality is normal.

Saturn in 12th house. Saturn is a slow planet and don't have the ability to express feelings. 12 th shows bed Comforts. so he will not able to enjoy those comforts upto the mark. As he don't have interest compared to the other planets venus mars and Jupiter."

This is one of the best example of planets emphasis on Law of Karma as a means of shaping man's destiny.

(1) To identify a writer/Journalist/humorist:- In this natal chart, Mars is the occupant of 3rd. According to astrological principles, a person likely to pursue a

career as a journalist, writer or humorist would typically show strong placements in the 3rd house(communication), Mercury(planet of expression and writing), and potentially combinations involving planets like Jupiter(Knowledge) and Mars(assertiveness) in this native's chart.

Cuspal SSLs	Involvement	Commitment	Final confirmation
1st & 3rd SSL JUPITER	Rahu(1 2 3 4 5 6 7 8 9 11 12)	Ketu(1 2 3 4 6 9 10 11 12)	Mercury(1 5 6 7 8)
10th SSL KETU	Ketu(1 2 3 4 6 9 10 11 12)	Mercury(1 5 6 7 8)	Mars(2 3 5 7 10)

NOTE:-2(income) -6(Service)-10(Profession) = Artha trikona, (materialistic trine). 11= fulfillment of desire; 10=name and fame; 3= for communication- Journalist, writer & humorist. Thus, it is justified that this natal chart belongs to a journalist, writer and humorist. Mercury(planet of expression and writing) and Mars (assertiveness) also appeared in the above table. Rahu represents Mercury(intelligence) & Ketu represents Jupiter(knowledge).OK.

(2) To identify a dancer's chart, we have to look at the placement of the 5th house(creativity and self-expression; Arts), 2nd house(facial expressions while dancing), 3rd (courage, hands, No Stage fear while performing the dance), 10th house(name and fame), 12th house(feet) & the planets such as Venus(beauty and aesthetics), Mercury(rhythm and fast movements of all the body parts) and Jupiter(expansion and confidence)

(3) To identify the Singer's chart, we have to look at the placement of 5th house(all kinds of Arts), 2nd house(Voice, Savings, income), 6th house(giving musical performances (ie) Service), 10th house(name and fame, awards and prizes), 11th house(fulfillment of desire) and the Ascendant SSL and 5th SSL.

5th SSL Saturn	Saturn(1 2 5 6 10 12)	Rahu(1 5 6 7 8 9 11 12)	Jupiter(1 2 3 4 6 11)

(4) *She contributed to numerous charities including American Cancer Society.*
Astrologically it is justified hereunder:-

Jupiter is the planet of mercy and charity. 12th house of the horoscope signifies mercy and charity. When Jupiter and the 12th house form a powerful connection, the native turns out to be charitable.

Here in this case, Karaka planet for mercy and charity is in the star of Rahu which is the Sub-Sublord of the 12th cusp and in the sub of Ketu and in the sub-sub of Mercury.
NOTE:-If a native gives his money as charity/donation to a person/an institution, it will be a loss to the native and benefit to the opposite person or an institution. Then 12th is the Primary cusp for charity and 5th & 8th are the supporting houses. In the chart of this native, except Moon and Mars, all the remaining seven planets are shown the 12th house (karaka planet for charity) at the starlord level.

Karaka Planet for mercy and charity.	Involvement	Commitment	Final confirmation
JUPITER	Rahu(1 2 3 4 **5** 6 7 **8** 9 11 **12**)	Ketu(1 2 3 4 6 9 10 11 **12**)	Mercury(1 **5** 6 7 **8**)

"Service to others" is the principle of the water sign Pisces. The Signlord of Pisces is Jupiter. Moon, Jupiter and Ketu are noted for compassion. In this chart, the 12th lord Jupiter is in the sub of Ketu which represents Jupiter and Ketu.

For gain, the Sub-Sublord of the 12th cusp should establish linkages through its Starlord, Sublord and SSL with cusps 2,6,11. Linkages with 5,8 or 12 at Sub level indicate loss to the native. If one gives charity to someone, then it will be a loss financially to a donor and it will be an indication of gain to a person or for an institution who received the donation/charity Let us check the 12th Sub-Sublord. It is as follows:-

	Involvement	Commitment	Final confirmation
12th SSL. Rahu	Rahu(1 2 3 4 **5** 6 7 **8** 9 11 **12**)	Saturn(1 2 **5** 6 10 **12**)	Jupiter(1 2 3 4 6 11 **12**)

The Sublord of the Sub-Sublord of the 9th cusp will show the part due to which the change in the structure of the body occurs. The Sub-Sublord of the Sub-Sublord of the 9th cusp if connected with the 1, 5 or 11 it shows recovery after transplantation. The Sub-Sublord of the Sub-Sublord of the 9th cusp is Saturn. Saturn is connected to 1 & 5 which shows recovery after transplantation. But she died on 22-04-1996.

(iv) ***The dasa potential of the planets at the time of transplantation and their transit along with the transit of the Sun and Moon should justify the event.***

When My Daughter's Marriage takes place?

Very Important Principles in Meena2

1) Planet posited in the sign may not deliver the results, his Star lord will deliver the result whether it is favourable or Unfavourable.

2) Sani Vath Rahu Kuja Vath Ketu.

Given Birth Details

Gender: Female

Date Of Birth: 2103.2000 Time Of
Birth: 09.05PM

Place Of Birth: Kavali

Question: When My Daughter's Marriage takes Place?

From Lagna 7th house is the house of Marriage. 7th house is Primary house of Marriage, 2nd house and 1 1 th house are supporting houses.

7 house: Primary house of Marriage
2 house: Addition in the family 1 I th house:

Fulfillment of Desire

Karaka for Marriage: Venus.

VI 25:31 su	san :1424	11M 22:18 310	2165353
v 245204 Me	Name Date: Time Latitude: Langitude:	Kum Mar 27, 2000 09:05:00 PM 14° 57' 0" North 80° 2' 0" East

7th house gets connection with 2 & 1 1 Marriage is Promised.

7th house (Aries): 7th house lord is Mars. Mars is occupant of 7 owns 2 & 7. Mars is the star of Ketu where Ketu is 1 I th house significator and aspected by ih occupant Saturn who is the lord of 4th and 5th house. Mars having digbala.

Hence 7th house lord Mars get connection with primary house. So, promise of Marriage is there.

The native's father sent his daughter's details on 20th MaY2024. At that time the native running Sun Dasa and Jupiter Bhukthi up to 10.04.2024 to 27.012024.

Here I am using PSA Principles 2 & 3

PSA Principle 2

"I The Dasanatha gives the result of the star lord and his connections. Similarly, the Bhukthinatha also reflects the results of its Star lord".

PSA Principle 3

II In the assessment of Palas (results) importance has to be given to the Karaka Planet's constellation and also to the planets situated in the Karaka Planet's Stars".

Now Running Dasa is Sun

Sun is in the star of Saturn, where Saturn is occupant of 7th house associated with 2nd &7th lord Mars and Jupiter. Hence Dasa lord Sun is favourable for Marriage.

Bhukthi Lord Jupiter 1 o n4.2024 - 27.01.2025.

Jupiter is in the star of Venus (Kaltrakaraka) which is occupant of 5 and associated with yogakaraka Mercury.

Next Bhukthi Saturn 27.012025 - 09.012026.

Saturn is occupant of 7, Saturn in the star of Venus (Kalatrkaraka) which is occupant of 5 and associated yogakaraka Mercury, where Venus and Mercury are aspecting 1 I th house.

Just I look in to the Transit

Bhukthi lord Jupiter is transiting in 8th house in the star of Moon.

Next Bhukthi lord Saturn, Saturn is transiting in 5 house from 26th December onward Saturn is transiting in the star of Jupiter. Both Saturn and Jupiter are occupants of 7th house in the Natal Chart. Hence I decide the native's marriage takes place in Saturn Bhukthi only.

My Astrological Prediction: Your daughter's Marriage takes place in the month of FebruarY2025/ March'2025.

Actual Outcome: The Native Marriage takes place on 02.022025. My Prediction went correct

This Prediction is given with the blessings of "Lord Mahaganapati" and Prama Poojya Guruji Vaikuntavasi Sri.N.V.Raghava Chary who is founder of Meena2 Nadi System and also Pranams to Sri. Dr.NVRARaja Meena2 Junior who had given opportunity to learn this System.

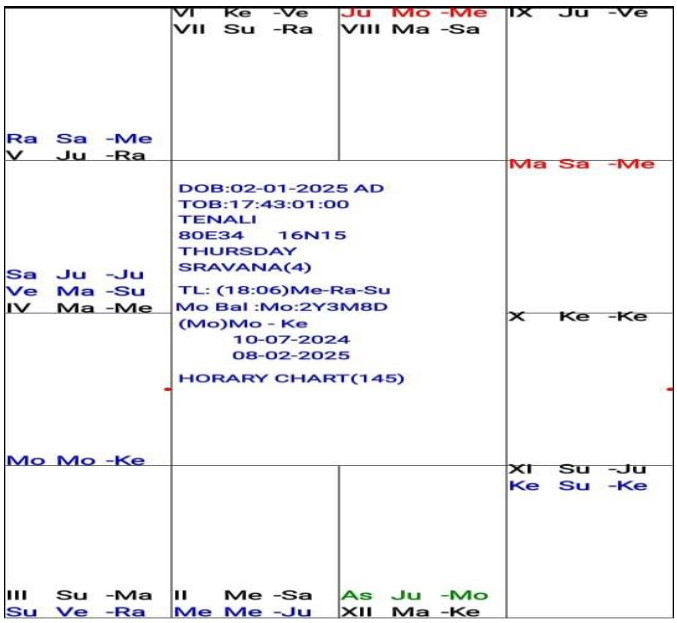
Ouery : one of a member in the astrological group send a message that nearly 2 lakhs of money is not seen there in the shelf. my mother was searching but unable to find out the money, can anyone help us? He asked this question in the group.

I made a call to that person and asked for his mother, she gave a number 145 regarding that misplaced money..



KP rule ;

2nd house shows liquid properties like money, gold, diamond etc

4th house shows fixed properties like house agriculture land vehicles furniture etc

In this type of cases 2nd house sublord connected to 2 6 10 11 houses it is safe

If it connects with 7 8 12 houses loss to the native as 8 12 is 2 6 houses from 7th .

I prepared the horoscope with the number for that time period.

2nd house posited at mars sign Mercury star Saturn sub.

Saturn in 4th house means the money is placed in the house itself. Saturn in the star and sub of Jupiter, Jupiter lord of 3 in 7th in the constellation of moon, moon in 3rd house.

Here third house means it is showing movement with in the house. There is no involvement of 8 or 12 houses at sub level. By this we can say that no thief or third person involved in this matter. The money is safe.

In the lottery gains and horse race Krishnamurti Garu says that

- 2 6 10 11 gives utmost satisfactory gains
- 3 gives low gains
- 8 12 gives loss
- 9 gives low loss.

I have taken this point in the observation , there is no involvement of 8,12 but 3 means amount will be less compared with her assumption.

Second cusp is on Mercury Saturn zone. Saturn Mercury shows miss calculations in her mind and on the paper.

Prediction

I said that the amount is itself in the house but not in the same place. 2nd sublord Saturn shows some dissatisfaction in the amount ,there is no third person involved so don't get worry about the amount.

Screenplay and final twist

By hearibHng my prediction he says that it is found on the another place in an old trunk box and nearly 50000 amount is less she might have forgotten to made entry in the book. Even though the money is found before my judgement, he thanked for my initiation.

Wants to walk in the footsteps of Krishnamurthy Garu for his simple rules which gives clarity without any ambiguity. Thanks to VSN Murthy Garu for allotting space for my article.

NUMEROLOGY AND CRICKET PREDICTIONS 1.45PM 02.1.2025 THURSDAY

Is Numerology helpful in predicting cricket matches?

I have worked for 3 years on various numeroogy based simpe methods. Finally one ethid has proved consistently getting good results . Before we apply numerology to cricket matches , let us have some basics of numerology.

In astrology , 9 planets signify many matters. Also, numbers are signified by the planets.

The following table show the number and the planet represented it.

Number	Planet name
1	Sun
2	Moon
3	Jupiter

4	**Rahu**
5	**Mercury**
6	**Venus**
7	**Ketu**
8	**Saturn**
9	**Mars**

I have studied their harmonious relation as given by various schools of astrology. Out of all, Parasara system as more percentage of success.

According to Parasara , sun (1) , Moon(2), Mars(9) , Jupiter (3), Ketu (7) are friends. Whereas Venus (6) , Mercury (5) , Saturn (8) , Rahu(4) are best friends.

Where moon plays dual role. It is very cunning fellow, acts as friends to both the groups . We can observe this in the persons born on 2/11/20/29 dates.

As explained by Cheiro in his book on Numerology , date plays an important role. It is like the birth star of the native. Then the destiny number plays next important role.

In numberology time plays an important role. As guided by Cheiro .any number which is must usable by majority takes its vibration. So, instead of hour clock , it is better to use am /pm clock.

> **Match number is 16th T20 Big Bash match between sydney thunders and Melbourne Renegades.**
>
> **30 total is 3 . 3 is represented by Jupiter.**
>
> **Match time is 1.45 . 1.45 total is 1 . 1 is represented by Sun. We know Jupiter and Sun are friends .**

So, I predicted Favourite team Sydney thunders will win the match.

Results : Sydney thunders own the match.

Note: Here day lord is not given much weight. Not considered in deciding . As I am dealing with only numbers which I will see.

Like this when we go on apply to various occasions , we observe more than 60% of the times our prediction will come correct.

I am thankful to Mr VSN Murthy sir , Mr Singam Srinivas sir and Mr Ganta Siva Prasad sir for their support and guidance in writing this article.

WILL WE BUY THE CAR ? (BY JAMA KOL AROODAM PRASANNAM METHOD)

A lady customer, asked me the following questions

Questions are as follows

1. Could we (me & son) buy a car?

2.1 We are expecting loan.

2.2 Can we get bank loan ?

2. 3 Will we be able to repay the loan in time?

3.1 Any adverse effects while repaying?

3.2 Whose name will be better for car registration?

Me (lady) or my son?

Date of Analysis .. 20.01.2025 - Monday

Time.. 15.52.43 PM

Place..Karur

State..TamilNadu

In jamakol chart, the planets inside the chart indicates today's Transit position and the planets outside the chart are known as Jamakol planets and these plants usually travel in anti clockwise.

Udhayam is equivalent to Ascendent or Laknam.

Kavippu indicates the negative results.

Ragu and kethu is known as Sneak only

The answer is arrived in Jamakol Prasannam method and the analysis is presented below..

Udhayam .. Libra sign.

Aroodam..Aquarius

Kavippu..Aquarius

1. Could we (me & son) buy a car?

The Udhayam Lord Venus is in Virgo.

The planet Mercury is in Libra and thus both Venus and Mercury are in sign exchange .

Hence I asked the lady- the Idea to buy a car is not the first idea. Probably the original idea for another cause gets diverted. Is it so?

The lady answers - you are correct. Our first idea is to alter our house and we now changed the Idea for car.

In that case - you can buy a car. Because, jamakol Mars is in exalted position at 4th house which is bava Karaga for vehicle ..

My question - your idea is for new car and not for second hand car? Is it correct?

Her answer - yes. We have no idea about old cars.

(This is because , Mars is at exaltation at 4th house Capricorn).

Answer for loan. 2.1 We are expecting loan.

You could get loan, Since Jupiter - the lord of 6th house - is the planet approaching udhayam or Libra.

Also the 11 th lord sun is now in pisces - the 6th house Sun also indicates government based loan.

Question on Loan repayment -

Answer. Loan can be repaid positively, as Jupiter aspects Gemini the 9th house. Also Mercury, the lord of Gemini is in Libra.

3.2 Whose name will be better for car registration?

Answer - in 5 th house Aquarius, KAVIPPU is positioned and it clearly indicates - registration on son name is not possible.

Mother's name is recommended due to following reasons.

In 4th house, the planet Mars is at its exalted position.

The mother Karaga planet , Moon is in 9 th house and it is getting Jupiter aspect..

CONCLUSION..

1.They will buy a new car.

2.They will get loan ..Loan will be repaid as per schedule..

3.It is better to register the vehicle by Mothers name.

ASSL :- Mars, Ketu, Ketu, Moon

All co-ruling planets are indicating the father death houses in the above Native Natal Chart are OK.

8. Transist Chart ASSL is Moon and father Death Event house IV th SSL is Moon. So, by this we conclude that both Cusp planet is Moon is OK.

9. Transist Chart ASSL Moon and Transist Moon Star Lord is Rahu, both planets are showing the relationship in transist chart.Here Moon Star Lord is ultimately Rahu. So, here the relationship has happened.

Pertinent Points in Dr. Raja's Nakshatra Prasna Lagna System.

Nakshatra Prasna a unique and yet a very simple system of prediction when applied stepwise. The astrologer using this system should be good at nakshatra Digbala and Jeeva, Sareera identification without which the prediction may not proceed further. It begins with the identification or location of HRM position in the Zodiac. HRM should connect to the House or Bhava for which the question is raised. The axis of DRM & HRM should be observed. If they happen to be 2/7, 5/9, 3/11 or 4/10 positive result can be expected, with respect to the position of Jeeva and Sareera and their relationship. Next step is to identify the NP Lord or Lagna, Jeeva & Sareera which results in prediction.

Regarding timing of event Jeeva & Sareera planets along with associated planets result in fructification of the event. The significators to deliver the results or fructification of the event are-DRM, HRM, NPL, Jeeva & Sareera. Surprisingly, the significators at the time of question will be the Significators at the time of Fructification of the event. This is the crosscheck step for identifying whether our prediction is accurate.

Example chart of NPL

By using NPL one can easily predict the results accurately. Be it a Sports question or domestic question NPL predicted accurately. During World Cup Cricket 2023 NPL was of great significance for astrologers to predict about the results of the event especially when Ketu Bhagavan occupied Lagna. Since Cricket is one of our favourite sports, a question was posed by my daughter. On 20th October 2023 world cup Match was held between Pakistan & Australia. A query was made at 12.05pm as "Who will win the Match"?

Date of question	20.10.23
Sun Rise Time	6.13.58
DRM in the Nakshatra at the time of Sunrise	Moola
Question time	12.05pm
HRM at the time of question	Uttarabhadrapada

On 20th October,23 my daughter was curious about the World Cup Cricket Match between Pakistan and Australia and asked me at 12.05pm to analyse.

The Day rising moon was Moola in Sagittarius. HRM was in Uttarabhadrapada, Pisces.

HRM lord was posited in Aquarius Dhanista.

Considering NPL as Aquarius and HRM 12H as Pakistan, Jeeva & Sareera are KETU & Venus. **Ketu as Sareera played a significant role in giving success to Australia.**

Rahu & Jupiter in Aries get Digbala and Rahu is in Ketu's star.

Ketu, Jeeva Planet and Sun & Mercury(yogakaraka) all get digbala as well as get connected to 10th House(success) through forward Binnapada.

Further Ketu (jeeva planet) yogakaraka mercury, Sun and Mars are all posited in yogakaraka & Sareera planet Venus's house(9th House-Bhagya sthana).Jupiter 2nd and 11th house lord aspects Jeeva planet Ketu, yogakaraka Mercury, 5th House lord Sun and 10th house lord Mars. DRM Moon is posited in 11th House (labhasthana) DRM Moon is in Jeeva planet Ketu' star. HRM star lord & 10th house karaka Saturn aspects Sareera planet Venus posited in natural 5th House.

DRM HL and 12th Lord happen to be Jupiter. Four planets are conjoined in Libra in Ninth House for Luck and Ketu is one amongst them. Ketu is in Mars as Star. Even lagna lord is in Mars Star.

Jupiter's 5th aspect on Venus Jeeva planet which through reflection theory aspected NPL. So the prediction was given that Australia would win against Pakistan.

It was a tough fight for Australia. Australia vs Pakistan …Adam zampas 4 wicket haul helped Australia beat Pakistan by 62 runs at the Chinnaswamy stadium Bengaluru. This win

was 2nd in a row. **This is another proof for the grant of positive results with KETU as one of the significators.**

Both DRM moon in Moola and Jeeva. With assurance I answered when A question was asked by my daughter on the day of World cup Cricket match between Australia vs Pakistan.

ANALYSIS OF DIFFERENT 'YOGAS' & 'DOSHAS' IN "KING OF MICROSOFT" – MR. BILL GATES Horoscope.

In Astrology**, YOGA** is defined as the relationship between Planets, Signs or Houses in a person's Horoscope. Yogas can be positive or negative and can impact many aspects of a person's life**. Doshas'** are considered to be flaws or imbalances in a person's birth chart. It is because of unfavorable positioning of planets. Each house in the zodiac signifies different aspects in life of an Individual. Second house for Family & Finance, Third house for short travels and Communication etc… like -wise 5th house for creativity and 10House is considered for profession. The role played by 5th & 10th House in BILL GATES horoscope is taken as an example to analyze different Yogas and Doshas in it.

Bill Gates (born October 28, 1955, Seattle, Washington, U.S.) is an American computer programmer and entrepreneur who cofounded Microsoft Corporation, the world's largest personal-computer software company.

</table>

Bill Gates wrote his first software program at the age of 13.

The yoga(combination of two planets) which gave him the ability of writing a software program at 13 was the conjunction of **Mars with exalted Mercury in Virgo**. This yoga is known as **Bhadra Maha Purusha yoga.** This conjunction in Virgo helped him deal efficiently with Computers(electrical & Electronic machines) and made him a successful businessman. Mercury in Virgo gives efficiency in technology too. Microsoft was started in 1975 when Bill was just 25years old. This is because of Mercury's exaltation in Virgo and conjoined with Mars aspecting Moon in 10th house Pisces.

The aspect of **Mars & Mercury** from Virgo on Moon posited in Pisces which is a mutual aspect, gave him the ability of versatile knowledge in Computer Languages.

Planets which gave him Name & Fame: Generally planets like Saturn and Mercury are considered as Gods of Businesses. In early Venus dasa Gates started becoming popular. How ever planets like Rahu & Venus alone give World-wide recognition. In Bill Gates chart a combination of Sun, Venus & Saturn in Venus house -Libra. Venus is the Key planet for Software. Sun's debilitation here gives brightness to Venus as its House Lord. Exaltation of Saturn in 5th house- Libra showered on him a special **Lakshmi Yoga** of creativity, which made him design even the minute details in technology by Gates. This is the result of Saturn & Venus combination. A house of Creativity for Saturn as it is 5th house and 5th house being own house for Saturn. He is blessed with good concentration and a good methodical approach.

In addition to this, the position of **Jupiter in Leo**, the house of Sun(but Sun conjoined with Venus & Sat in libra) gave him additional wisdom(**Saraswati yoga**) in creativity which made him an international celebrity. The position of Rahu in Mars house(scorpio-6H) gave additional energy in technology with new trends and quick changes and developments in latest technology and software.

Bill Gates horoscope indicates late marriage as Venus the kalatra karaka is conjoined with the slow planet Saturn. He married at the age of 38. Reasons for delay or late marriage was 1. Saturn 3rd aspect on 7th house. 2. Conjunction of Venus & Saturn 3. Kuja dosham- Mars in Virgo when checked from Moon in Pisces-saptama kuja dosham delays the marriage event. 4. Sani dosham-when Saturn aspects 7th house or conjoined with 7th lord, it is known as Sani dosham.

The placement of Jupiter in 3rd house and 3rd house lord in 5th house with Venus, gave him the quality of Charity. He established Bill & Melinda Gates foundation and donated billions of dollars. These are a few important points to note from his Horoscope. He continues to be one of the richest people on the planet earth.

Note: This table has been prepared as per instructions given in the books of Shri S.P. Khullar (Retd. ITS).

○ Up to SL ◉ Up to SSL ○ Up to Prana

Please note, **3rd** (native himself/herself who is appearing for the interview), **9th** (3rd of the 7th – the person who is taking/conducting the interview)

Let us check if the event chart **indicated** whether the interview could take place and whether the relevant houses we're represented by the planets in play on that day and time.

Moon – **10** (related/connected to profession)

Moons' star-lord **Venus** – potential and promise was present and it signified the relevant houses 9, 10 and 11 by appearing in them

Venus	1	5 9	10	11	X	X	10	(Ju) 1 3 4 6 7 8 9 10 11 12	(Ju) 3 4 6 7 8 9 10 11 12	(Sa) 1 5 10 11	X X

Moon and its star-lord we're placed and appeared in a relevant house 9th, thus signifying the interview for the native.

Let's study and assess the potential and promise of Ascdt. SSL **Saturn** – promised the event by appearing in relevant cusps **10** [event related to profession] and **11** [desire for success]. The signification of Saturn were strong and it promised a potential success in the outcome of the event. As 2nd didn't appear at SL or SSL levels, the signification of the interview was considered to be very strong and the outcome positive as 6th appeared both at SL and SSL levels.

Saturn	10 11		1 5 11	1	X	X	10	(Ju) 1 3 4 6 7 8 9 10 11 12	(Ju) 3 4 6 7 8 9 10 11 12	(Ra) 1 3 4 5 6 7 8 9 10 11 12	X X

Next, we will study the primary house for this event which is the 3rd.

3rd SSL = Rahu/Jupiter/Saturn

Rahu			7	3 6 9 12	X	X	11	(Sa) 1 3 4 5 6 7 8 9 10 11 12	(Sa) 1 5 10 11 No 6 or 9	(Ra) 1 3 4 5 6 7 8 9 10 11 12	3 6 7 9 11 12

Though Rahus' potential and promise was strong as it appeared in 3rd (primary), 6th and 9th – its signification was weak at the SL level due to the absence of **6th**, but the appearance of **11th** made it favourable. Appearance of **10th** at SL and SSL levels indicated that the purpose of the interview/discussion was related to profession.

Rahu as **Saturn** however **fulfilled the 3rd** house potential and promise as it was also the Ascdt. SSL.

Saturn	10 11		1 5 11	1	X	X	10	(Ju) 1 3 4 6 7 8 9 10 11 12	(Ju) 3 4 6 7 8 9 10 11 12	(Ra) 1 3 4 5 6 7 8 9 10 11 12	X X

Rahu as Jupiter, the promise and potential was very strong, but the signification wasn't present for the event as neither 3 or 9 or 11 was involved and even at the SL level 6th and 9th didn't appear. Jupiter thus doesn't have the power to offer the event success.

Jupiter	8 9 12	3 7 11	6 12	4 10	X	X	1	(Mo) 4 8 10	(Sa) 1 5 10 11	(Ju) 3 4 6 7 8 9 10 11 12	X X

The 9th SSL = Rahu which was assessed and studied above. Please note that 5th, 8th and 12th combinations at SL and/or SSL levels w.r.t **9th** would negate and fail the native in his interview.

For horary and time chart queries, we must evaluate the 11th SSL for checking final success of the event.

11th SSL = Venus – whose potential and promise was quite strong as it appeared in relevant cusps 9th and 11th that promises success in an interview. The 11th SSL involved 3rd, 6th, 9th and 11th, committed to 6th, 9th and 11th and FC to 10th and 11th, strongly promised success of the event to the native. There we're no hindrances to the event as 2nd didn't appear at SL and SSL levels. Also note, the appearance of **10th** at SL and SSL levels indicated a potential for a **promotion**.

Venus	1	5 9	10	11	X	X	10	(Ju) 1 3 4 6 7 8 9 10 11 12	(Ju) 3 4 6 7 8 9 10 11 12	(Sa) 1 5 10 11	X X

The promise and potential of the Ascdt. 3rd, 9th and 11th SSL strongly promised the successful outcome of the event.

Dasha and Bhuti lord **Venus** – assessed above as the **11th SSL** and was found to strongly signify success of the event.

Antara/Sookshma/Prana lord was **Mars**, whose potential and promise for successful outcome existed and it strongly signified the necessary houses for the event.

Mars	7	26		7	X	X	3	(Ju) 1 2 3 4 6 7 8 9 10 11 12	(Ra) 1 3 4 5 6 7 8 9 10 11 12	(Ra) 1 3 4 5 6 7 8 9 10 11 12	2 3 6 7

FINAL Conclusion post analysis above: This concluded the analysis and study of the event chart analysed under KCIL rules laid down by our revered guruji Shri S P Khullar.

It was confirmed and communicated by the organizations' HR that the **interviewee was successful** in clearing the final round of the interview and is awaiting an offer from the organization.

Please note: Horary/Prashna queries around events like elections/matches/gambling etc… must be considered with 50-60% accuracy as the person asking the question, horary number taken, place of query may be different and unless the query isn't intense in the mind, it may lead to wrong outcomes.

*It is very important to properly and clearly understand **house groupings under KCIL** for each event and understand **how to interpret** these significations at involvement, commitment and final confirmation levels. This case study tries to simplify that endeavour. Hope it brings clarity to the thought process of our fellow KCIL practitioners and enthusiasts.

It is very unfortunate that the inventor of KCIL Shri S P Khullar left for his heavenly above too soon and left us a void on this amazing KCIL theory. It is for us as KCIL aficionados/enthusiasts to take this forward to new heights. With 🙏 to all gurus who have blessed me to take this journey ahead.

ఏలినాటి శని ఎన్నిసార్లు

ప్రతి వాని జీవితంలో సామాన్యంగా ఏలినాటి శని ప్రభావం మూడుసార్లు కలిగే అవకాశముంటుందని వేత్తల వాక్కు

1. మొదటి పర్యాయము ఏలినాటి శని రెండున్నర సంవత్సరాలలో శని తీవ్రత ఎక్కువ, జాతకుడుచేసే పనులలో ఆటంకాలు రావడం ,తల్లిదండ్రులకు సమస్యలు రావడం గమనించగలం

3. జాతకునికి 3వపర్యాయము ఏలినాటిశని రావటం కష్టసాధ్యమైన కాలము గానే చెబుతోందీ శాస్త్రం. అనారోగ్యంతో బాధపడటం ,మరణ భీతి,మిక్కిలి శ్రమ తోడిజీవనం వంటివి కల్గుతాయి..ఈబాధనుండి తప్పించుకొనుట అదృష్టవంతుల కు మాత్రమేసాధ్యము అని చెప్పవచ్చు

సాధారణంగా ఏలినాటి శని యొక్కమూడుదశలలో ఒక దశ జాతకునకుశుభఫలితాలనిచ్చి అతని పురోగతికిసహాయపడుతుందనే అనే విషయం జ్యోతిష్కుల అనుభవంలోని విషయమే.

ఏలినాటి శని ఫలితాలు- పరిహారాలు

శని చంద్రాత్ నాలుగవ రాశిలో ఉన్నప్పుడుఅర్ధాష్టమశనిగా, అనారోగ్యతలు, సోదర కలహాలు, విదేశీ నివాసాలు ,ఆదుర్దాతో జీవనం వంటివి కలిగిస్తాడు.

ఏలినాటి శని దశలో శనిలగ్నమందు,ద్వితీయంలోను ఉన్నప్పుడు శిరస్సు,గుండె, కాళ్లకు సంబంధించిన అనారోగ్యతలు,,దుష్టుల వల్ల భయము ,పుత్రుల వలన కష్ట నష్టములు కలుగుతాయని శాస్త్ర వచనం.

అంత భయంకరుడేం కాదు శని

ఒక్క మాట! ఏడున్నర సంవత్సరాల ఏలినాటి శని దశా కాలమంతా ఈ బాధలు ఉండటం లేదు ఈ దశలోనే గృహంలో వివాహ శుభకార్యములు, సంతానం కలగటం, ఉద్యోగంలో ప్రమోషన్లు పొందటం, వ్యాపారంలో, ఎన్నికలలో విజయంసాధించటం, విదేశీ ప్రయాణం వంటి

శుభపరిణామాలు గమనించగల్గుతున్నాము. రూపాయి నాణానికి చిత్తు బొమ్మ ఉన్నట్లే మానవ జీవితంలో శని రెండు విధాలుగాతనప్రభావాన్ని చూపుతున్నాడు.

సోమరితనం,బద్ధకం, నిర్లక్ష్యం, సమయాన్ని వ్యర్థంపుచ్చడం,మొండితనంవంటిలక్షణాలు శనికి సంబంధించినపనులు కాగా, కష్టించి పనిచేసి ఫలితం సాధించటం, ఫ్యాక్టరీలు, పరిశ్రమలు,అందులో పనిచేసే కార్మికులు ,బాధ్యతగల ఉద్యోగాలు, ,ఉద్యోగస్తులు ,క్రమ శిక్షణ,,సమయపాలన, బాధ్యతలు స్వీకరించి ఫలితాలు సాధించటం, మాట మీద నిలబడటం వంటి గొప్ప కార్యాలూశని మహారాజు వే. అందుకే శని జాతకంలో బలంగావుంటే సాధించలేనిది ఏదీవుండదు.అని గుక్తించాలి మనం..
